	1) There is no indication in the d/s letter as to how the remaining vacancy of one Sanitary Inspector will be filled up. He may perhaps be asked to reserve this place for being filled up by a V.P. Inspector who can not be provided for elsewhere. Submit for orders.

	2) It is not known whether the V.P. Inspectors proposed to be absorbed are persons who were formerly G.T.D. Dairy Inspectors. The action of the Secy. Govt., circulating draft may perhaps be approved with the observation that it is presumed that all the 3 V.P. Inspectors absorbed were G.T.D. Dairy Inspectors and that the 4th place may be reserved for being filled up by a V.P. Inspector who can not be provided for in the other dists.
